

BLOUNT COUNTY DEMOCRAT.

SATURDAY, MARCH 25, 1882.

We have received the first number of the Watchman, a new paper, and a spicy little sheet. It is Republican in politics—Maj. Will A. McTeer, editor. Its columns a friendly hand is extended to the DEMOCRAT. We greet you with the same cordial friendship, and will endeavor to maintain dignity towards our new neighbor.

Mr. Charles Burger, of the popular and enterprising firm of Burger, Hood & Co., returned Saturday last from a trip to the eastern cities. Charles' judgment in the selection of goods can not be surpassed. His trip proves it beyond all doubt. For the last week or ten days goods have been arriving continuously; and you have only to take a look through their large and complete stock to be convinced that they have not only much the largest and most complete assortment, but the cheapest stock ever offered in Maryville. We have not space this week to make a deserving notice of this house. Our readers are advised to go and select early. A mammoth advertisement of this house will appear next week. Merchants who advertise liberally can afford to sell goods cheaper than those who do not, on account of the increase in trade.

In calling the attention of our readers to the notice of H. T. Clemens, agent for the "Royal Path of Life," we can only add, to what others have already said, that we have read the book and can't say too much in praise of the work. We would advise every head of a family, or every one who expects to become the head of a family, to buy the book, read it, follow its precepts and be happy.

Mr. H. C. Austin has now in store a full supply of Agricultural Implements. He made a sale this week to one of our most substantial farmers—Samuel McMurray, of the 17th district. He invites the farmers to call and see him.

Mr. J. M. Harris, near Rockford, this county, planted corn last week. "Jim" is a good farmer and a clever gentleman, and takes his county paper.

We were shown, by Messrs. Hood & Bro., orders for six Mowers and two Reapers sold by them this week. This firm are handling the celebrated Champion Mowers and Reapers.

Faded Colors Restored.

Faded or gray hair gradually recovers its youthful color and lustre by the use of Parker's Hair Balsam, an elegant dressing, admired for its purity and rich perfume.

Free Transportation.

We are authorized to say that the K. & A. Railroad Company will furnish free transportation to delegates, appointed from Blount county, to the Farmer's Convention, to be held in Knoxville May 9th. The delegates must be appointed by a meeting of farmers, called for the purpose, and must not exceed three from any civil district.

J. M. Hood & Bro. are now receiving a large lot of Agricultural Implements and have secured the lot adjoining Mr. G. A. Toole, where they will be on exhibition. Make a note of this, farmers.

We call special attention to the card of J. T. White & Co. This firm is composed of Mr. Josiah T. White and Mr. Wm. Newby, two very clever gentlemen. We bespeak for them a liberal trade. Don't fail to call and see them.

A Mother's Testimonial.

Messrs. Sanford, Chamberlain & Albers, Knoxville, Tenn.: My little boy of six years old has been weak and puny for years. My friends did not expect I would be able to raise him to this age. He has been dosed and doctored during this time for worms and other imaginary ailments with no relief from any, until I was induced to try Mrs. Winslow's Vermifuge. Two doses of that brought over 100 worms from the little sufferer, and the child is now well, and for which I am truly thankful.

Mrs. JOHN T. ROWELL.

Experience the Best Guide.

The reason why women everywhere use Parker's Ginger Tonic is, because they have learned by experience—the best guide—that this excellent medicine overcomes despondency, peripetrical headache, indigestion, pain in the back and kidneys, and other troubles of the sex.

Death of Mrs. David Gardner.

On the evening of the 19th inst., on Six-Mile Creek, the attention of Mrs. Gardner was called to the yard for some purpose, and being seen by her husband to sink down, he ran to her relief with restoratives and soon had her removed into the house, but very soon she expired; supposed to have been heart disease. She was about sixty years of age and a daughter of the late Thomas Thompson, and was an excellent woman and a member of the M. E. Church. She was buried at Carpenter's Campground, on the 21st inst., a large concourse of neighbors, friends and kindred being present.

EDITORS DEMOCRAT:

I write you a few lines concerning the coming county elections. There is already a field full of candidates, especially for Sheriff, and I will give you my sentiments and not only mine but the feelings of a great many in this portion of old Blount. Now, I will say, in the first place, so far as the Sheriff is concerned, that we have had a Radical Sheriff ever since the war, and so far as I know they have been very clever, honest men, or at least I have, with a great many other Democrats, supported them.

Now, what I have to say about the Trustee, and not only me more of my Democratic associates, is that the present Trustee is as good as the people of Blount county need want, and if he is not elected for another term it will be the fault of the Republican voters in the primary election. In the first place, he is a gentleman and a Christian; he is not one of those fops that will walk from one street to another to shake hands with you before the election and afterwards walk twice that far to keep from speaking to you. Neither is he one of those men who will use partiality just because a man is not of the same politics of himself, but is ever ready to extend a welcome hand and a kind heart to all, without respect of persons, and I will venture the assertion that there is not a man in this county, if he will lay aside prejudice, who can say anything disrespectful of our Trustee. Then let us, as grateful people, cast our votes for him and elect him, who will discharge his duty, collect our tax, and not squander our public money, as has been done in days gone by (I do not mean to cast any reflections on our present Trustee's predecessor, for he made us a good Trustee and is entitled to credit.)

When we adopt the rule of choosing good men to fill our offices then our country will blossom as the rose and all will be peace and happiness.
A LIBERAL DEMOCRAT.
